

smARTCHITECTURE

PHOTO COMPETITION 2011

CALL FOR ENTRIES

Deadline
MARCH 23
2012

(smärt•kĭ•tĕk'chər): The art and science of designing and producing smart buildings that make history.

About The Competition:

This photo competition offers excellent exposure to capturing the architectural history of schools in our city's most historic school district, SAISD. This contest will engage you, the student, in critical evaluation of your educational surroundings and incite further interest and appreciation of the SAISD learning institution of your choice.

The Concept

For our 2011 competition we are challenging you, students to compose and produce a cutting edge photograph. Historic school architecture is the subject, so select the SAISD learning institution of your choice then capture that object, detail and/or perspective that makes your photo smARTCHITECTURE.

The Competition:

Panel of 5 judges (architects, photographers, artist) will select winners based on originality, technical skill and personal voice or vision.

Winner categories:

Best of Show

1st, 2nd 3rd place winners for grade category 6 - 8

1st, 2nd 3rd place winners for grade category 9 - 12

24 merit photographs will be selected for public exhibition with winning photos.

Deadline:

March 23, 2012
